# Landscape Shelving

As a superior shelving system, Landscape uses only the finest quality materials. It is an ideal choice for premium projects where results need to reflect visitor expectations.

Landscape represents excellence as standard, it delivers every time for quality, functionality and flexibility.

Sizes available

What’s the difference?

Our reference size is the industry standard sizing for shelving, and makes ordering from us a lot simpler. Please use the reference size when placing your order.

The actual size is primarily for use by architects and designers who need exact measurements for drawings and site layouts.
