

FG storage solutions

seating | desking | reception desks | boardroom tables | av walls | meeting room tables | storage solutions | executive office furniture | library shelving | bespoke furniture

maximise storage within your workspace

Need extra storage without compromising on space? Choose static or mobile under desk pedestals

Need greater work surfaces? Choose a desk high pedestal (pen tray optional)

Need greater storage flexibility. Heavy duty and steel pedestals provide the option of a deep filing drawer

desk based storage

Combining stylish looks and a solid durable construction, FG Nott gives you the flexibility to achieve the perfect storage solution. So whether your requirement is for a mobile pedestal, desk high pedestal or whether you require a desk side storage solution, FG Nott will have the perfect storage solution for you.

efficient storage solutions to suit your every need

All FG Nott storage units are available with either shelves, lateral files, pull-out frames, foolscap or A4 filing

All storage units are also fully lockable for greater security.

D handles are supplied as standard, other handles available on request

All sizes available with hinged doors, tambour doors or open shelves

FG Nott storage solutions are available in the following colours as standard. If you cannot see what you are looking for, please contact your approved distributor as we can manufacture our products in the materials of your choice to your exact specification

Maple

Oak

Cherry

Steamed Beech

Fremwall - the infinitely flexible storage solution

Fremwall is the infinitely flexible storage wall which can be individually designed to meet your exact requirements

Whatever your specification, we can achieve it with a huge variety of finishes, internal storage fittings, waved or even curved doors and our new large format graphics panels

Fremtrac mobile shelving – the creation of space

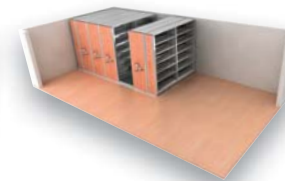

The Fremtrac mobile shelving system allows you to either halve the space required for your shelving or double your storage capacity...

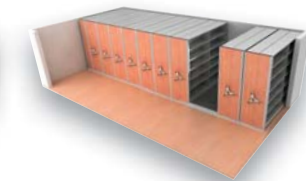

...all within the same footprint as traditional shelving

traditional shelving

half the space

or double the capacity
