Comfort and design

fremgroup
Complete, inspired design solutions

Frem Group are a leading UK manufacturer of quality, inspirational workplace furniture. Kastel are an Italian manufacturer of inspirational, design-led seating solutions. It makes sense then for Frem Group and Kastel to collaborate in bringing this extensive, design-led range of seating to the UK market. Kastel by Frem brings an extensive portfolio to create spaces that are not just work, educational or meeting spaces, they are places where life happens, where people connect and collaborate. In keeping with both organisations' reputation of top quality and sustainable practices, Kastel by Frem will be manufactured at Kastel in Italy and assembled at the Frem Northampton production facility. Enjoy your journey through these inspiration pages of seating solutions. Ranges guaranteed to suit any project, of any size, bringing Italian seating style and elegance to your UK project.
