## Peace in a Pod

We've designed our pods to ensure the best user experience possible by providing a quiet environment for those inside while also keeping the sound in.

Don't worry though, users will still be able to hear the important ring of an alarm from inside the pod.

## The Facts

We've had our Oasis Atmos pods independently tested, so we'll let the result speak for themselves.

1m 38dB DnTw

2m 40-42dB DnTw

3m 42-43dB DnTw

32 DSA (speech level reduction)

41 DnTw (sound insulation)
